

## REMARKS

Applicant has amended the status identifiers for Claims 1 and 13, thus obviating the Examiner's objections. The Examiner's attention is directed to Claim 19 which has been amended to clarify that the head is resurfaced prior to the positioning of the resurfacing head. Support can be found for this amendment in at least Figure 4 and paragraphs [0026] through [0029] of the application as filed.

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
